

## Pour A Little Love

Every time you look at me  
I feel the electricity  
I catch my breath as you smile

Everything you say to me  
My mind repeats endlessly  
I just want to be with you for a while

To show you how I feel  
To prove my love is real

Pour a little love into my heart  
I was always yours from the start  
I just wanted you to know  
How you had me at hello  
As you pour a little love  
Pour a little love  
Pour a little love into my heart
